To be recognized by our peers for this innovation and commitment s greatly appreciated."

Members of the VAR Stars were selected based on growth, industry leadership and recognition, and innovation. Selection is not based on revenue, and those firms chosen represent a wide range of sizes and many different software publishers of accounting software.

"Each year, 100 VAR Stars are picked from the best organizations that market financial software. It is always an honor to recognize those who contribute to the development of our business," Bob Scott said.
