

Faye lands on L.A. and S.F.V. Business Journals' Fastest-Growing Companies List

For the fifth consecutive year, Faye Ranks Among Fastest Growing Companies in the Los Angeles area.

WOODLAND HILLS, Calif. ([PRWEB](#)) December 16, 2021 -- [Faye](#), a global technology consulting and software company, has earned a spot on the Los Angeles and San Fernando Valley Business Journals' lists of Fastest-Growing Private Companies.

The LABJ and SFVBJ annually recognize the top 100 private companies with the highest revenue growth in a three-year period in the Los Angeles area, spanning all industry types.

For the fifth consecutive year, Faye has made both journals top 100 list.

"We're extremely excited to have earned a spot on the LABJ and SFVBJ list for the fifth time," said David Faye, CEO of Faye. "Being on a fastest-growing company list is a tribute to our people and their commitment to taking care of our clients and our team's ability to consistently meet our mission – to make the best software in the world even better. We are proud to be recognized again this year and congratulate all the other organizations that have also achieved this honor."

The Los Angeles Business Journal is a weekly publication examining the many ways the L.A. economy operates.

The San Fernando Valley Business Journal is one of the best-regarded sources for local business news.

A complete list of recipients is available in the current edition of the [Los Angeles Business Journal Magazine](#) and the [San Fernando Valley Business Journal Magazine](#).
