CRN Recognizes Faye on its 2022 Solution Provider 500 List

CRN®, a brand of The Channel Company, has named Faye to its 2022 Solution Provider 500 list.

WOODLAND HILLS, Calif. ([PRWEB](#)) June 08, 2022 -- CRN's annual Solution Provider 500 ranks North America's largest solution providers by revenue and serves as the gold standard for recognizing some of the channel's most successful companies. With a combined revenue of more than $434 billion, this year's list represents an impressive amount of influence and impact wielded by these companies on today's IT industry and the technology suppliers they partner with.

Faye is a top software and solution provider in the CRM and customer experience space. Their partnerships with SugarCRM, Zendesk, Salesforce, Asana, and more have enabled them to be recognized as a member on this year's Solution Provider 500 list.

"We are honored to have earned a place alongside the industry's top-performing technology solution providers on the CRN SP 500 list," said David Faye, CEO at Faye. "This award showcases our commitment to nurturing our channel relationships and highlights our dedication to helping our clients improve their sales, service, and marketing processes through world-class software and solutions."

CRN and the SP500 are well known as industry standards for showcasing top technology organizations and we're proud to be among the competitive group on this year's list, and this ranking recognizes their support in addition to the hard work of the Carahsoft Team to better serve the Public Sector and drive value for all our customers."

"The Solution Provider 500 list from CRN serves as the benchmark for the top technology integrators, strategic service providers, and IT consulting firms, making it an invaluable resource for technology vendors seeking to partner with today's top-performing IT solution providers," said Blaine Raddon, CEO of The Channel Company. "My congratulations go out to each of these companies for their extraordinary contributions to the continued growth and success of the IT channel."

CRN's 2022 Solution Provider 500 list is available online at www.CRN.com/SP-500 and a sample from the list will be featured in the June issue of CRN Magazine.
