Faye, a global leader in software strategy, deployment, integrations, and ongoing management for mid-market and enterprise organizations, today announced that it was named to Accounting Today's VAR 100. The VAR 100 compiles a list of the top VARs that have emerged as exceptional leaders in the field in 2022.

WOODLAND HILLS, Calif. ([PRWEB](#)) August 03, 2022 -- Faye, a global leader in software strategy, deployment, integrations, and ongoing management for mid-market and enterprise organizations, today announced that it was named to Accounting Today's VAR 100. The VAR 100 compiles a list of the top VARs that have emerged as exceptional leaders in the field in 2022.

The value-added resellers named to the list were selected based on the solutions they provide their clients to help them meet the challenges of the dramatically changed business environment in 2022. These organizations provide key solutions that focus on automation and optimization and are shaping the future through digital innovation and technology.

“We are honored to make the Accounting Today 2022 VAR 100 list,” said David Faye, CEO at Faye. “This recognition demonstrates the meaningful impact we drive for our clients by helping them select, implement, and optimize the systems that best suit their organizational needs.”

Faye, also 9-time recipient of the Inc. 5000 award, is a top CRM, CX, and bot advisor, trusted by customers and channel partners alike. This award cements their achievements in the industry.
