

Faye Named to LA Business Journal Fastest Growing Company List

LA Business Journal recognizes Faye as a Top 100 Fastest Growing Private Company in LA for the sixth consecutive year.

WOODLAND HILLS, Calif. ([PRWEB](#)) December 15, 2022 -- Faye, a global leader in software strategy, deployment, integrations, and ongoing management for mid-market and enterprise organizations, today announced that it earned a spot on the 2022 Los Angeles Business Journal (LABJ) list of Fastest-Growing Private Companies for the sixth year in a row.

The LABJ recognizes the top 100 private companies with the highest revenue growth in a three-year period in the L.A. area, spanning all industry types. Faye ranks No. 33 on the list, with year-over-year double-digit growth. This is the sixth consecutive year that Faye has made the top 100 list.

"To be a disruptor in 2022 took ingenuity, creativity, game-changing innovation, outside-the-box thinking, maverick leadership, trend-setting practices, and an attitude that blends a constant eye toward the future and a refusal to settle for mediocrity," said Los Angeles Business Journal Publisher Josh Schimmels. "One of the great things about the Los Angeles region is that we have historically incubated a remarkable number of disruptive companies here. And there are quite a few that are doing trailblazing work right now."

"It is truly an honor to have earned a spot on the Los Angeles Business Journal List of Fastest Growing Private companies for the sixth consecutive year among so many amazing companies," said David Faye, CEO at Faye. "This recognition highlights Faye's dedication to making the best software in the world even better by helping our clients maximize software use, efficiency, and ROI."
