

BOX FOR SUGAR®

Box is a simple, scalable and affordable solution to manage documents, media and all your content online. Share files as a link. Sync files on the desktop. It's file sharing, reinvented. You can securely access, share and collaborate on files anywhere.

With the Faye SugarCRM Box Integration Application, you can manage, access, and share any amount and type of file on Box within Sugar, ensuring your sales team has the most up-to-date materials.

You can also create shared workspaces within Sugar to collaborate with colleagues, partners, and customers. In addition, sales people can email files, edit documents, fax agreements, and sign contracts within Sugar using services from Box's other integrated service.
